

RION

UMA JORNADA PELO CONHECIMENTO!

The background is a deep blue and purple space scene. In the top left, there's a large planet with horizontal stripes. Below it is a smaller planet with a ring. In the bottom left, there's a cluster of yellow hexagons. In the bottom right, there's a cratered moon. An astronaut is floating in the upper right, holding a long, looping rope. The scene is filled with numerous small white stars and larger, multi-pointed starbursts.

DESAFIO

Para as estrelas
Para o Alto e Avante !

DOR

The background is a dark blue and purple space scene. It features several celestial bodies: a cratered planet in the top left, a ringed planet (like Saturn) in the top center, a striped planet (like Jupiter) in the bottom right, and a small yellow hexagonal cluster in the bottom left. An astronaut is floating on the left side, and numerous white stars of varying sizes are scattered across the background.

“

O interesse pela ciência sofreu
uma ligeira queda (de 65% em
2010 para 61% em 2015).

- UNICAMP, 2017

DOR

- ★ Falta de interesse
- ★ Ausência de informações lúdicas
- ★ Dificuldade na compreensão das informações
- ★ Falta de ferramentas educacionais

The background is a deep purple and blue space scene. In the top left, there's a large planet with horizontal stripes. Below it is a smaller planet with a ring. In the bottom left, there's a cluster of yellow hexagons. In the bottom right, there's a large, cratered moon. An astronaut in a white suit is floating in the upper right, holding a long, thin, looping rope. The sky is filled with numerous small white stars and larger, four-pointed starbursts.

OBJETIVO

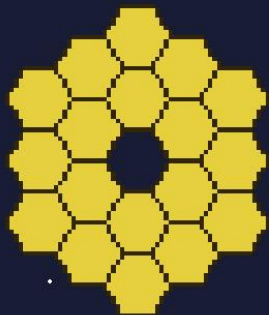

Compartilhar curiosidades sobre o nosso universo simulando a visão do telescópio James Webb através de um jogo.
